# Astibe, Juliana Eunice A.

**Aspiring Data Scientist and UI/UX Designer**

#2 A Juan St., Brgy. Balong Bato • San Juan City 1500 • julianaeunice81@gmail.com • 09606981881

## OBJECTIVE

To contribute as a proactive and adaptable team member or leader by applying my strengths in problem-solving, creativity, and collaboration. With experience in programming, analysis, visual design, and student leadership, I aim to support team success, encourage continuous learning, and adapt effectively across dynamic work environments.

## EDUCATION

**Polytechnic University of the Philippines** Mabini Campus, Anonas St., Sta. Mesa, 1016 Manila
*Bachelor of Science in Information Technology* 2024 – Expected 2028
Relevant Coursework:

- Cagayan De Oro PWD Online Application Website Redesign in observance of usability heuristics and elements of good design. Made using Figma, HTML, CSS, and JavaScript.
- Pag-IBIG Applicants Admin Database connecting MySQL to a real-time dashboard with CRUD functionalities. Made into both a Java application and a website (HTML, CSS, and JavaScript).
- Forecasting Traffic Volume Trends Using Time Series Analysis, made using Python and hosted on Streamlit.

Awards and Honors:

- DOST-SEI Undergraduate Scholar (2024 – Present)
- DataCamp Scholar (2026 – Present)
- President's Lister (SY 2024–2026)

**Arellano University** 2600 Legarda St., Sampaloc, Manila, 1008 Metro Manila
*Information and Communications Technology Strand* 2022 – 2024
Relevant Coursework:

- Reviewer System with Note-Taking and Scheduling Features using the Flutter framework, tested and presented on an Android device.
- Student Management System using Visual Basic (VB.NET).

Awards and Honors:

- Batch Valedictorian (Rank 1 out of 4,000+ students)
- Florentino Cayco Memorial Scholarship Gold Medallion
- With Highest Honors (GWA: 99)
- Computer Programming 3: Best Researcher Team, Best Front-End Team, Best Team Leader
- Best Leadership Award

**San Juan City Science High School** 29 Pinaglabanan St., Brgy St. Joseph, 1500 San Juan City
Awards and Honors: 2018 – 2022

- With High Honors (SY 2021–2022)

## RELEVANT EXPERIENCE

**Institute of Bachelors in Information Technology Studies** Sta. Mesa, Manila
**Secretary** October 2026 – Present

- Act as the custodian of all records and pertinent documents of the organization through a sound record management system.
- Take down minutes or proceedings of meetings or assemblies, whether regular or special.
- Prepare notices of meetings and other papers needed for organizational transactions in consultation with the president.
- Prepare semestral and/or annual Accomplishment Reports for IBITS.

**ARK PH** Makati
**Research and Development** August 2026 – Present

- Design database schemas, data pipelines, and technical Product Requirement Documents (PRDs) for internal platforms and chapter management systems.
- Manage partner software license ledgers (e.g., DataCamp) with automated reallocation triggers, maintaining a 90%+ active utilization rate for sponsor renewals.
- Develop chapter health scorecards and retention metrics to monitor member engagement across nationwide university chapters.
- Standardize playtest frameworks and technical skill assessments to evaluate student game prototypes for industry showcases.

**Cisco NetConnect PUP - Manila** Sta. Mesa, Manila
**Social Media Manager** February 2025 – July 2026

- Managed the organization's social media presence by planning, scheduling, and publishing content across platforms.
- Monitored interactions, such as responding to comments and answering inquiries.

**Google Developer Groups PUP** Sta. Mesa, Manila
**UI/UX Cadet** November 2025 – 2026

- Designed high-fidelity wireframes, responsive prototypes, and reusable visual component systems for community-facing web and mobile applications.
- Collaborated with front-end engineering teams to ensure pixel-perfect asset translation and adherence to design specifications.
- Iterated user flows and interfaces through usability testing and heuristic evaluations to improve user engagement.

**Operations Associate – Logistics** November 2024 – 2026

- Coordinated end-to-end technical and physical logistics for major campus tech conferences, workshops, and general assemblies.
- Partnered cross-functionally with creative, marketing, and developer divisions to maintain operational alignment and event timelines.

**HATAW PUP** Sta. Mesa, Manila
**Co-Head of Sponsorship, Partnership, and External Affairs** June 2025 – 2026

- Managed corporate outreach, pipeline tracking, and partner relations to secure sponsorships for university-wide student initiatives.
- Drafted formal partnership proposals and maintained communication channels across external organizations and brand stakeholders.

**AWS Cloud Club PUP** Sta. Mesa, Manila
**Illustrator** October 2024 – July 2025

- Illustrated custom digital brand assets, mascots, and publication materials for cloud literacy campaigns and technical workshops.

## LEADERSHIP & STUDENT ACTIVITIES

**The Arellano Standard Manila** Legarda, Manila
**Head Social Media Editor** August 2023 – July 2024

- Directed a student editorial and design team to plan, write, and publish institutional news releases and visual campaigns.
- Monitored multi-platform engagement metrics to optimize publishing schedules and information distribution.

**Arellano University Multimedia Club** Legarda, Manila
**Team Manager & Communications Assistant (VGA Department)** August 2023 – July 2024

- Managed creative workflow, task distribution, and design reviews for visual graphic artists (VGAs) supporting university media projects.

## TECHNICAL SKILLS AND CERTIFICATIONS

- **Design & Prototyping:** UI/UX Design, Wireframing, High-Fidelity Prototyping, Usability Testing, User Journey Mapping, Figma, IbisPaint, CapCut, Canva
- **Development & Tools:** HTML5, CSS3, JavaScript, Python, Java, C, SQL, Git, GitHub, Overleaf
- **Productivity & Office Tools:** Proficient in Google Workspace (Docs, Sheets, Slides, Forms) and Microsoft 365 (Word, Excel, PowerPoint)
- **Languages:** English (Professional Proficiency), Filipino (Native / Bilingual)
- **Training & Seminars:**
    - The Art & Code of UI/UX Programming, IEEE – University of the Philippines Diliman | May 2025
    - R4Y Employability Workshop: RISE Program, Makesense Asia & LinkedIn | May 2025
    - LAYAG: Paglinang sa Hiraya ng Pamamahayag Pangkampus (Graphic Design Workshop), The Arellano Standard Manila – Arellano University | February 2023
    - Pubmat, Pubmat, Paano Ka Ginawa: A Graphic Designing Workshop, The Arellano Standard Manila – Arellano University | November 2022
- **Certifications:**
    - Networking Basics, Cisco Networking Academy
    - SQL Fundamentals, DataCamp
    - Understanding Data Science, DataCamp
